

Find the Light Stops on our

# Advent Light Trail

12<sup>th</sup> - 20<sup>th</sup> December: 4:00-8:00 pm

## Welcome to our Advent Light Trail !

Organised by St Andrew's and St Michael's Church and Foundry Church

The booklet contains important Safety information, Two Light Trail Maps, a page of Words you're looking for (with Christmas verses and question teasers) and a set of sticky dots to mark the words you've found.

### How to complete the Light Trail:

- Choose to follow the **Barnt Green Light Trail** or the **Cofton Light Trail** or even follow both! (see middle pages)
- You have been given the road name and house number for the location of the Light Stops. Look for a large **Christmas word** displayed in a window or porch or garden. Check it against the words listed in the boxes on page 5. That is a Light Stop. Place a sticky dot in the word box to show you've found it. Then have a look at the question next to the box which you can chat about as you make your way to the next Light Stop.
- Make sure you carefully read the **safety information** on page 2, so that you can have a safe and wonderful time.

**Important reminder:** Follow Government guidance by doing the Light Trail as individual households, only in maximum groups of 6. Do not arrange to meet up with others, and please stay at an appropriate distance. If groups form the Light Trail will have to be closed

\*The Light Trail has been organised by St Andrew's and St Michael's Church and Foundry Church.
