

Using the Parish Giving Scheme, donations can be made on a monthly, quarterly or annual basis by Direct Debit. You choose the amount you want to donate and the frequency and if your circumstances change, the amount can be changed at your request. You can also opt to increase your giving in line with inflation if you would like to.

Even though the donations are made to the PGS, donations are specifically for the parish chosen by you and cannot be used elsewhere. Donations will be passed back to your Parish by the 10th of the month and if applicable, Gift Aid will normally be sent, in the same month, once PGS has received it from HMRC.
