For your Prayers

A message from Roger Pepper – ‘The doctors and nurses at the Pamplona hospital are pleased with the progress of Wendy’s recovery over the past week. Subject to confirmation of air and landing schedules, our travel insurance company plan to fly her home by private ambulance plane on Friday, 10 June. On arrival, she will be admitted to the Queen Elizabeth Hospital, Birmingham. I shall be returning by ferry with our motorhome over the weekend.’

If you, or anyone you know, would like to be included in our prayers please drop a note to Nicola in the Parish Office.

The next Messy Church is on 19th June 3:00-4:30: Can you help?

Messy Church lands on Father’s Day this month and Caroline has already been planning some fun activities and been thinking through ways to grow faith amongst our children and families in engaging ways. Some of the regular team are away this month which may affect its viability.

If you can offer:

- * Preparing an activity
- * Welcoming / Refreshments area
- * Leading an activity
- * Story Telling

then please chat to or email Caroline or Rev Andy by Tuesday 14th. Thank you!!

Zoom Services and Fellowship meetings - New joining method

When you join Zoom you will firstly be placed in a waiting room, and then admitted to the service as soon as we possibly can. Please be patient as there may be a slight delay, but we will admit you as soon as we are able. PLEASE ENSURE THAT YOU CLEARLY IDENTIFY YOURSELF TO MAKE THIS PROCESS EASY. Names such as "Ipad" or "Jo123" are difficult to identify and you may be asked to confirm who you are.

This change has been introduced to ensure that we maintain the security and privacy of everyone attending our events, and we still welcome anyone. However, in a world where unscrupulous people can use the internet to gather information for illegal purposes, we have to be careful who is joining us on Zoom.

Message to all who run Zoom events using the Church Zoom Account

If you host church Zoom events you need to be aware that we are going to change the password next week. You should have received a separate email from me with details but if not please contact me to be added to our list.

Cycle church is a great way to get to know others while enjoying cycling through the countryside. We start at Holy Trinity, Lickey and this time are doing a circular ride stopping at St. Mary Magdalene, Tanworth. It is open to cyclists of all abilities with rides going at different speeds to suit people’s abilities. We meet monthly, alternating between Saturday morning and Sunday afternoons. We would love you to come and join in.

Visit to Mission Partner IcFEM Kenya

I will be visiting our Mission Partner IcFEM in rural Kenya from 22nd June - 7th September. During that time I will be visiting their nursery and primary school and children's church. I will also be writing my dissertation based on a case study there. Dad is joining me for the first two weeks and Mum for my final week. The most dangerous part of the trip are the flights due to my airborne nut allergy. Please keep me in your prayers. If you would like to keep updated whilst I am away please 'like' and 'follow' the facebook page 'As We Are' With thanks Rachel Gidney

Urgent! Can you help?

We need children's leaders and helpers for all Junior Church groups!

We have a growing number of interesting, vibrant, funny, perceptive children of all ages joining us who need to know first hand that they belong, are known and are valued.

We promise you won't be signed up for the next 20 years - so why not give a no-strings-attached three sessions over two months a try?

It is not true that missing the sermon means missing out - let Jesus teach you directly as you see him vibrant and alive and at work in our children! Leave church uplifted and connected. See Caroline Mara, Andy Hobbs, Catherine Smith or Pauline Jackson for a brief chat and plenty of encouragement.

Monday Fellowship

The next Monday Fellowship will be held at 2.30pm on Monday 13th June. This will be the last for this session until the new academic year in September 2022. This promises to be a very good show. First of all, our new vicar Rev Andy Hobbs will be the leader. Secondly, we always have strawberries and cream after the June event and finally our speaker is Sheila Parkes who will give us, we are very sure a most interesting talk on the “Titanic then and now”. Everybody is welcome, you don't have to be a pensioner just bring your £2 and have a very enjoyable afternoon

Open the Book – St Andrews School

Are you free mid-afternoon for an hour on **Tuesday 14th June**? One of our 'Open the Book' team for Assembly at St Andrew's First School is away on holiday and we need someone to play a character with just two lines to say (we don't learn it by heart). You don't need great acting skills at all, it's just being there so we can tell the story and the school get to hear the gospel. They love Open the Book and have started to ask to play parts in it.

We meet in the Parish Centre at 2:15 for a couple of run throughs, then go together to the school. We are finished and out at 3:10. Please see this not as a commitment or implication you will join the team, it's just to help us out. (However it's such fun, you might be tempted to do that a few times more!)

Malawi container

The container from Birmingham diocese is leaving Birmingham on June 12th. If you want to contribute items or help with transport costs please see Rosemary. They have requested sewing machines.

Coffee Morning

Please come and join us at our Coffee Morning on Fridays 10.30 to 12. For more information contact Bill Davis.

Climate Crisis Action

A lot of mainstream cleaning products containing detergents, preservatives, or foaming agents are made from various toxic chemicals that wash up into streams and rivers, causing water pollution that enters ecosystems and damages biodiversity. Switching to products that contain sustainably grown or raised ingredients and non-synthetics reduces the risk of exposure to toxic chemicals that are harmful to humans as well as the environment. You can also easily make your own natural cleaners by mixing vinegar, lemon juice and bicarbonate of soda. This is a sustainable and cheaper alternative that reduces toxic chemicals and packaging waste in your home.

Poppies

'Poppies' Our monthly Bereavement Support Group Come and find friendly mutual support over a cup of tea. We will end our time together with a short service with space to remember our loved ones together. The group meet on the third Thursday of each month at 2pm – 3pm. We meet in The Wheel, St Catherine's Church, St Catherine's Road, Blackwell, B60 1BN Contact Rev Sheri Gidney sherigidney@gmail.com 0121 445 1185 for more information.

Tinned potatoes, sugar 500g (not larger), tinned fruit in juice (not prunes or grapefruit), tinned spaghetti, ready-made custard (tinned or carton - not powder), cereal (not greater than 500g), porridge (not greater than 500g), gender neutral shampoo, toothpaste, toilet rolls. enquiries info@b30.foodbank.org.uk

Organ Recitals

The Worcestershire and Dudley Historic Churches Trust (WDHCT) offer repair grants to Worcestershire churches and are having 2 organ recitals (classical and lighter music) to raise funds. These are at St Cassian's, Chaddesley Corbett on Saturday 18th June at 6.30pm and St Peter's, Inkberrow on Saturday 2nd July, also at 6.30pm.
