

Removal of Notice Sheet from the website

Sadly, there has been an unsuccessful attempt by email to impersonate Andy asking the recipient to do a job for him. It is highly likely that the person took the information from the notice sheet on the church website. Please be vigilant to phishing scams via email and if something doesn't seem right check! As a security measure, we will be removing the notice sheet from the church website temporarily. If you wish to receive a weekly copy by email please let Nicola in the office know.
