## **Monday Fellowship**

The next Monday Fellowship will be at 2.30 on Monday 9<sup>th</sup> February in the Parish Centre. This will be different. Instead of listing to things that happen on the ground, we shall be having an illustrated talk about things that happen at say 35,000ft. Our talk will be by Dale Grassby a Jet2 airline captain entitled 'a day in the life of an air captain'. This will probably be a new experience for most of us, and we hope you enjoy the talk.

## **Barnt Green Macular Society Support Group**

Our 2026 programme starts with **Hearing and You**, a talk by Rajpreet Achall, Associate Fellow, Department of Audiology, Aston University: "It is my pleasure to come and speak to the group. Hearing loss is often an overlooked difficulty with many people often ignoring their hearing difficulty due to embarrassment. Dual sensory loss is on the increase so sharing as much information as I can, would be wonderful" Why not come and join us as a visitor or new member? Our meeting, in the Parish Centre, is on Friday, 30 January, starting at 2pm, but it's better to arrive earlier. Cost £3 per person. The group already know the Kendal Room has a hearing loop! For more information, ring Wendy on 0121 445 1585.

## **Barnes Close**

Make time for God. Just spend a day a month at Barnes Close. Bring your craft, a book or your journal. No distractions, guidance if you want it. 9.45 - 3 pm February 23rd or March 23rd.

## **Quiz night**

## **Care for the Family**

For parents who are concerned about the impact of technology on their families, Care for the family is organising events in Worcester, Solihull and Telford. If you're fed up with seeing the back of a phone more than your child's face, feel every conversation you have about tech is a battle or are concerned about the impact it's all having, then this event is for you. It has been designed specifically with parents of 8 – 14-year-olds in mind. But even if you're not there yet, tech is now an unavoidable part of our children's lives. We believe this event will help you be on the front foot and prepare for when those days come. Please note this event is aimed at parents and carers and is not suitable for children – it has been created to support and equip mums, dads and carers with the tools they need to help their children navigate the digital world.

At the moment, could we please ask for donations of cleaning products and washing up liquid along with the usual milk, cereal and meat tins. We have loads of tuna but popular ones are tinned curry, meatballs in tomato sauce, tinned hot dog sausages, chilli, sausages with beans/spaghetti. As always we send our very grateful thanks for everyone's generosity.
