Climate Crisis Action

The RSPB's Big Garden Birdwatch (Friday 23-Sunday 25 January) is the world's largest garden wildlife survey! Last year, nearly 600,000 people took part and over nine million birds were counted. We've lost a staggering 38 million birds from UK skies in the last 60 years. With birds facing so many challenges, it's more important than ever to get involved in the Birdwatch. To take part, spend one hour counting the birds you see in one location – your garden, balcony or a local park. Submit your findings to the RSPB. You can download a free guide and ID chart to help you identify the birds you spot on the RSPB website. Find out more at: rspb.org.uk/whats-happening/big-garden-birdwatch
